FLAGRO FVO-400

399,000 BTUs 🔥

The Flagro FVO-400RC indirect fired heaters offer long duct runs, and low amp draw all with impressive static pressure and CFM making it one of the top performing indirect fired heaters on the market.

BENEFITS

Our rental fleet consists of portable electric, direct, indirect, and radiant heaters. With fuel sources such as electricity, diesel, liquid propane, and natural gas, our fleet is well rounded providing multiple options to heat construction sites, interior spaces, outdoor events, and more.
