

OCEANAIRE OWC-1811

1.5 TON PORTABLE SPOT COOLER - WATER COOLED

The OceanAire OWC is a portable water-cooled air conditioner designed for permanent or temporary spot cooling applications.

The entire air conditioning unit has been built in an attractive sheet metal cabinet, equipped with heavy-duty casters for mobility.

FEATURES

- All OWC models come with a 10-foot power cord for electrical connection and added mobility in service.
- The OWC is a self-contained unit with the entire cooling system, fan motors and water-side components neatly arranged in a gray polyester powder coated metal cabinet.
- A wide variety of accessories and factory installed options are available for the OWC units allowing for improved performance and versatility.
