TRANE 3.5T CART MOUNTED

3.5 TON AC/HEAT INDOOR / OUTDOOR

The 3.5 ton Trane cart-mounted indoor/outdoor is a versatile and reliable portable air conditioner.

The gorilla cart allows for mobility indoors, or outdoors in even the harshest environments. All components are mounted in a weather-resistant steel cabinet with a baked-on enamel finish.

FEATURES

- Units are designed to operate at ambient temperatures as high as 130°.
- Effective moisture removal — hastens drying for humid and water-damaged areas.
- Factory assembled, piped, internally wired and fully charged with R-410A.
